

~Our Promise~

The wellbeing of your lawn and landscape is important to us, that's why we treat every lawn as if it were our own.

We know that you take pride in your lawn, and so do we. Your lawn is a reflection of our service.

What we offer:

Lawn Maintenance (Mowing), Fertilization, Light Landscaping (Mulch, Trimming, Edging Etc.),
Fall and Spring Clean Up

To Help You Understand Our Billing Policy

Mowing:

Since "Better Lawns" cuts on a as needed basis in order to keep your lawn always looking it's best, your billing statement may vary from month to month. You will never be charged more than agreed price per cut, but there may be more, or less cuts due to the growing season each month.

Fall and Spring Clean Up:

(Not all account will reflect this due to your landscape needs. If your account will need Spring and Fall Clean Up, the following will apply to your account.)

"Spring Clean Up" will usually be a one time charge but "Fall Clean Up" may reflect the duration of the leaf season.

Fertilization:

You will receive a billing statement separate from your lawn grooming statement for each application of fertilization.

Light Landscaping:

Please contact us for availability and scheduling.

Thank you!
